RE Proposed Action Memorandum for the Source Removal at the Mound Site

Dear Ms Hill

We have reviewed the Final Proposed Action Memorandum (PAM) for the Mound Site, which we received on February 4, 1997, and the attached Responsiveness Summary EPA in conjunction with the Colorado Department of Public Health and the Environment, concur that all comments received during the Public Comment Period have been addressed, thus approve implementation of this PAM. Please notify us when the Field Implementation Plan becomes available for review. We are awaiting receipt of cost estimates for this project.

Please contact Jean Lillich if you have any questions concerning this correspondence.

Sincerely,
